## EXPERIENCE

---

### **Alteryx, Inc.**

*Professional Services Operations Intern.*

**May 2022 – August 2022**

*Irvine, CA*

- Supported the professional services operations team with contract allocation to external and internal services providers.
- Worked with team members to streamline internal processes and supported the PMO with project updates for their force implementation to better track and report on expenses and services revenue.
- Participated in monthly and weekly reviews to track progress towards quarterly goals.
- Reconciled forecast to actual for services rendered & worked on daily reporting tasks through Snowflake and Designer.
- Led a group of fellow interns to win the “Solving it Forward” competition by creating actionable insights for non-profit No School Violence. Used designer to clean & analyze provided datasets and presented findings in front of intern cohort and Alteryx employees & executives.

### **Orderport**

*Customer Success Representative.*

**January 2021 – August 2021**

*Bellevue, WA*

- Strengthened relationships and maintained customer retention and renewed licenses for platform use.
- Worked with the CEO to help with customer suggested software improvements and bug fixes/questions.
- Managed 80+ wineries and was responsible for keeping them updated on latest software upgrades as well as helping them with issues or concerns.

### **Seattle Boat Co.**

*Sales Assistant*

**April 2019 – August 2020**

*Bellevue, WA*

- Assisted sales efforts with customers by showcasing boats in the showroom and private showings.
- Maintained and updated customer, sales, and product information in Salesforce CRM system.
